

# ADDICTION AFFECTS ANYONE. ANYTIME. ANYWHERE. FOR ANY REASON.

## OUR APPROACH

We pride ourselves on taking a compassionate, person-centered approach toward addiction treatment. We work with your strengths and weaknesses, seeking to empower you through an encouraging and individualized approach. We believe it's your recovery and we will work with you, guiding you through important life-changes that will lead you toward victory, while at the same time helping you heal past trauma. HMRC not only focuses on addiction treatment but helps you target the underlying mental health and life skills issues that are the hurt, pain, and obstacles which cause you to want to numb the past, present, and future with substances.

## HMRC — PRESENT

- Medically Assisted Treatment Center (MAT) available for anyone addicted to opioids.
- Financially Planning, Life Coaching Skills, and Parenting Skills
- Expert addiction treatment for life-controlling problems.
- Psychiatric care for MAT and Mental Health Issues.
- Full-service community health center under HealthCare Choices (HCC) with access to some of the top medical doctors and psychiatrists in all of Brooklyn.

## HMRC — FUTURE

- HMRC—OASAS Licensed Outpatient Program.
- Individualized addiction treatment.
- Groups, AA/NA Meetings.
- Mentoring programs and aftercare support for long term sobriety.
- Alumni give-back program (Allows graduates to return and mentor new clients.)
